Respected Sir/Madam,

Subject: 2024 International Conference on IT and Industrial Technologies

FAST NUCES Chiniot-Faisalabad Campus will host the IEEE-sponsored 3rd International Conference on IT and Industrial Technologies 2024 from December 10–12, 2024. ICIT has established itself as a valuable platform for international collaboration in information and industrial technologies. IEEE Xplore publishes and indexes the proceedings of the International Conference on IT and Industrial Technologies (ICIT). For more information please visit the [conference website](#).

A request is made to nominate candidates from your institute's faculty, staff, and students for participation in the ICIT 2024. By attending ICIT-2024, your institute will promote the sharing of resources, ideas, and expertise among researchers, resulting in creative breakthroughs and improvements in industrial and information technology. Furthermore, it will facilitate interdisciplinary research initiatives and foster a culture of learning and development within institutions.

Individual participant one-day pass: PKR 1,000/-.

Faculty Mentor / Ambassador registration is free with the registration of four or more participants.

Note: Networking Lunch pass is available at PKR 1,500/- per person per day.

Registration Link: <https://www.icit.nu.edu.pk/participant/registration>
